TALK OF THE TOWN

There will be no meeting of Ruth chapter, No. 33, O. E. S., on account of the prevailing epidemic.

Tonic-Upbuilder For Throat and Lungs

In many cases of serious illness, affecting the throat and lungs, ECKMAN'S ALTERNATIVE has been very beneficial. This is due largely to its readily soluble calcium content (a lime salt), so combined with other ingredients that it is easily assimilated. No alcohol, narcotic or habit-forming drugs. Twenty years' successful use. 50c and \$1.50 bottles at all druggists or manufacturer, postpaid.

ECKMAN LABORATORY, Philadelphia.

TALK OF THE TOWN

L. Zechinell of Hardwick is passing a week in the city, having been called here by the illness of his brother.

Alderman D. J. McMillan of Thurston place, who has been confined to the house by illness for several days, was able to be up and about yesterday.

Corp. Perley T. Eager, who has been spending a short furlough at the home of his parents, Mr. and Mrs. William Eager of Prospect street, being called here by the illness of members of his family, returned last evening to Boston, where he is enrolled at Tufts college in a mechanical unit. It is the prevalent feeling among the unit, a number of whom are former Barre young men, that they will be sent overseas within a few weeks.

TALK OF THE TOWN

Miss Elizabeth Spence, who has been passing a month in Graniteville, left today for Saco, Me.

Charles H. Wilkie of Central street, who has been quite seriously ill, was able to be out of doors yesterday. Members of Mr. Wilkie's family are recovering.

The body of Attilio Danesi, whose death occurred in Hardwick, was brought to Barre yesterday for interment in Hope cemetery. Mr. Danesi was a former resident of this city, but lately had been employed in Hardwick as a granitecutter. News has been received in Barre of the death of Mrs. Howard Estey, who passed away in Springfield, Mass., Oct. 4, the end following an attack of bronchial pneumonia. The deceased formerly resided in Barre, her maiden name being Cristabel Denamore. Mrs. Estey was a graduate in the teacher training course at Spaulding high school.

Gasoline at a reduced price for the motorists who are helping in checking the epidemic in Barre is the offer made by W. R. Cameron, who conducts the store at the corner of Washington street and Huntington avenue. Mr. Cameron told The Times today that he will sell gas to all motorists whose cars bear the Red Cross seal, at 27 cents per gallon.

News has been received in Barre of the death of Private Lodovico Masi, which occurred at Camp Colt, Gettysburg, Pa. Private Masi lived at 3 High Holborn street and was a member of the second mechanics' camp at Burlington before his transfer to Gettysburg. It is expected that the body will be shipped to Barre for burial.

The remains of three Barre soldiers who died at Camp Colt arrived in the city from Gettysburg, Pa., early today. The funeral of Private Daniel McLeod will be held in Graniteville Wednesday forenoon. Private Malcolm McLeod of the Canadian army is expected to reach Graniteville in time for the funeral, and a second brother of the deceased, John A. McLeod of Portsmouth, N. H., is already here. The bodies of Privates William J. McDonald and Harry J. Hill also came to Barre this morning.

Private funeral services for three of the four victims of the auto accident near North Randolph Friday night were held in South Barre today. The bodies of Allison Spencer, driver of the car, and his young son, Leon Spencer, were taken to Randolph for interment in the village cemetery, while committal services for Harold Spencer, son of Mr. and Mrs. Herman Spencer, were held in Hope cemetery. The remains of Ruby Wilson, the fourth victim of the accident, and the daughter of Mr. and Mrs. George H. Wilson, were taken to Corinth, where funeral services at the Wilson home were followed by interment in the local cemetery.

Dr. Ellis Williams, a former Barre boy, died in Fall River, Mass., Sept. 28, according to tidings which have reached here in letters received by Barre friends of the Williams family. The deceased succumbed to the Spanish influenza. He was a practicing dentist in Fall River, having established himself in the profession after his graduation from Tufts dental college. As a youth Dr. Williams attended Spaulding high school. Recently he volunteered for service in the army dental corps and was awaiting his call to the colors when illness overtook him. He leaves his father and mother and his sister, Jeannette.

Because a majority of the members of the city government are engaged in relief work, the regular fortnightly meeting of the city council was canceled last evening. The mayor and most of the aldermen are engaged in relief work, and those of the latter who are not driving cars or otherwise assisting are confined to their homes. Alderman Alexander and Alderman Milne are steadily regaining their former health. City employees are assured of their weekly pay envelopes, as members of the aldermanic finance committee approve the warrants for the weekly payroll. Neither the board of aldermen nor the council has met in regular session for a fortnight, although a special meeting was called a week ago yesterday.

One who has assisted sick people in previous epidemics of influenza and in treating members of her own family suggests the following treatment when it is impossible to obtain at once the services of a physician: "A mustard paste composed of white of one egg, stirred thick with mustard and applied to the pit of the stomach and back of the neck alternately for 20 minutes at a time—two, three or four times, depending on the severity of the attack and the patient's response to treatment. For adult, one teaspoonful of compound of licorice in a cupful of boiling water, taken as hot as possible. In case of fever, one teaspoonful of spirit of nitre and one teaspoonful of sugar in a glass of water; dose, one teaspoonful every half-hour." It is claimed that if this treatment is followed in the early stages of the disease and the response is good, it will quickly break up the attack.

Card of Thanks.

We wish to thank the neighbors and friends for their kindness to us in our bereavement and for the beautiful floral tributes.

Mrs. G. Valli and family.

Card of Thanks.

We wish to thank our neighbors and friends for their kindness during our sad bereavement.

Mrs. Archie Simonds and family, Mr. and Mrs. George Simonds, Mr. and Mrs. Clarence Vincent, Mr. and Mrs. Arthur Ritchie.

Card of Thanks.

We wish to thank our many friends and neighbors for the kindness and thoughtfulness extended to us during our recent bereavement.

Mr. and Mrs. F. H. Carroll, Marion Carroll.

Resinol

will probably clear away those pimples

It is really surprising how a few days' use of Resinol Ointment and Resinol Soap will improve most poor complexion! Unless the trouble is due to some serious internal disorder, pimples, redness and roughness quickly disappear and the skin usually becomes clear and fresh again.

All druggists sell Resinol Ointment and Soap.

HURRY CALL FOR LABOR

To Work in Munitions Plants to Make Up for Loss.

J. G. Brown, secretary of the committee on public safety, received the following letter from the national council of defense yesterday, which shows the importance of immediate application of unskilled labor to go into the munition plants. The telegram follows:

Washington, D. C., Oct. 6, 1918.

Committee Public Safety,

Montpelier, Vt.

A stock of high explosive shells imperatively needed in France has been destroyed, and the flow of these supplies has been retarded not only for the present moment but for months to come, unless immediate relief is provided. This loss must be made up at once by putting additional burdens on other American munition plants. Within the next 48 hours the number of men to be supplied from your state will be hired by the U. S. employment service to its federal state director. Please issue the necessary notices to your state, county and community councils of defense, to put their entire influence behind the employment service in this emergency. This call for men must be met, but there should be no difficulty in getting these men. The work is dangerous, but that will not deter anyone, for it is unthinkable that any man in this country would hold back from doing work which the women of England and France have carried on. When this problem is placed before the American people, public opinion will be solidly behind the employment service and the community labor boards in this emergency.

Franklin K. Lane, chairman of the field division council of national defense.

BRONCHIAL ASTHMA

Mrs. Graf Says Vinol Cured Her

Darlington, Pa.—"I suffered from bronchial asthma so badly I would often have to sit up half of the night or lean over the back of a chair, and so weak I could hardly walk across the floor. I had spent lots of money for different asthma medicines without help—but Vinol helped me so I sleep well, and am so well and strong I am doing all my work on the farm."—Mrs. Emma Graf.

Vinol is a constitutional remedy which contains beef and cod liver peptones, iron and manganese peptones and glycerophosphates. We strongly recommend Vinol.

Red Cross Pharmacy and druggists everywhere.

P. S.—If you have skin trouble, try Saxol Salve. Money back if it fails.—Adv.

GRANITEVILLE

The body of Private Daniel McLeod, who died at Camp Colt, Gettysburg, Pa., arrived this morning, and the funeral will be held at his late home Wednesday morning at 10 o'clock. Interment will be in the Wilson cemetery.

ADAMS-SLAYTON.

Barre Girl the Bride of Army Man, Who Is Now Graduating.

Miss Emma Louise Slayton, daughter of Mr. and Mrs. H. J. Slayton of 12 Liberty street, and Capt. G. Franklin Adams

of Winchester, Mass., who is at present stationed in Haiti, were united in marriage at Cape Haitien, Haiti, on Sept. 21, the ceremony taking place at the home of Major and Mrs. Green, where the bride had been a guest, following her arrival from New York, where they met Mrs. Green, who was returning to Haiti to join her husband after a visit in the United States.

The groom is a graduate of Norwich university and has been in the U. S. marines for some time, following a period

of service as a civil engineer in Maine and in Boston and as a teacher in Norwich university. He first entered the U. S. service as a second lieutenant and has been rapidly promoted until he now has the commission of captain. Within a short time he will receive a major's commission with the gendarmerie of Haiti, having signed up for three years' residence there. Capt. and Mrs. Adams are making their residence of the time being at Port au Prince, Haiti.

The bride was given away by Col. Wadley.

The bride was gowned in white chiffon and had a veil caught with orange blossoms. She carried a bouquet of orange gardenias and ferns. She was attended by Mrs. Green as matron of honor, while the groom was attended by Lieut. Riley. During the ceremony the marine band of 20 pieces played.

The bride is well known in Barre, where she attended school at Spaulding

high school, graduating in the class of 1914 and taking a business course after that. She has a large number of friends, who will extend their best wishes. The bride left Barre in company with her mother for New York, where they met Mrs. Green, who was returning to Haiti to join her husband after a visit in the United States.

The groom is a graduate of Norwich university and has been in the U. S. marines for some time, following a period

of service as a civil engineer in Maine and in Boston and as a teacher in Norwich university. He first entered the U.
